Fieldtrip Phone Number: (515) 383-4354

Information about Location: Center Grove Orchard is a central Iowa farm that has a lot of activities for family and children. They offer hayrides, corn pool, corn maze and hay maze, farm animals, pedal tractors, weekend festivals with live entertainment, and more.

What do KTC participants do at this location? The students will get a tour of the farm and will be able to participate in various activities such as the corn pool and hay rides. They will be split into groups upon arrival and will move from station to station while learning about the various activities that occur on the farm.

Specific Items to Note: Students will need to bring a sack lunch that they will eat before going on the fieldtrip. Please have your child wear tennis shoes and socks as they will be walking around the farm, and dress appropriate for the outdoor weather.

What if my child doesn't want to participate: Students are expected to walk around with their group. They do not have to participate in the activity but will need to walk around the orchard with the group.

Suggested Grades: K-5
