Information about location: Jethro's BBQ restaurant offers barbeque foods and a variety of other food options.

What do KTC participants do at this location? At the restaurant we will be eating lunch; we will use this trip as an opportunity to practice good restaurant manners and patience while waiting for our food and for others to finish.

Specific item notes: We sit in their party room and any overflow is in the dining area just outside the party room. Students may pick from pre-selected items on the children's menu. They will have the option to pick Sprite, Root Beer, Orange Soda, or water to drink. One refill of soda will be offered and then students may drink water. Staff will sit dispersed amongst the students to supervise the students and escort them to the restroom as needed. The children are escorted to and from the restroom by a staff.

What if my child doesn't like Jethro's BBQ? You are welcome to bring a sack lunch from home for your child if you know they will not eat any of the menu options from Jethro's BBQ. Please give the lunch to the greeter upon your arrival to KTC so we can make sure to bring the lunch with us on our trip.
