Information about location: Skate North Incrediroll is a family owned and operated roller skating and inline skating rink that provides a safe, clean, fun and family atmosphere.

What do KTC participants do at this location? Students will skate and participate in skating and skating games.

Specific Item to Notes: Students will be able to pick between roller skates and inline skates. Students may also bring their own skates. Students will need to wear socks for skating. Students can skate with friends around the rink or take a break to talk or play card games in the booth area. Staff will monitor the students skating and be able to skate with them. Students will not be able to skate on the skateboard ramp or play the arcade games. In some special circumstances, students are allowed (when noted) to bring treat money for concession snacks.

What if my child doesn't want to skate? Students that don't want to skate can watch others or play card games that we will bring from site. The fun music and atmosphere will also provide entertainment.

Suggested Grades: K-5
