Information about location: Hickory Park is a family-owned eatery serving up house-smoked barbecue in a spacious setting. Hickory Park has a large menu filled with a variety of hickory smoked meats served in generous portions. There is certainly something for everyone with over 100 menu selections. Your placemat is filled with old fashioned parlor sundaes, so make sure you stay for the ice cream!

What do KTC participants do at this location? Students will be eating lunch at the restaurant. We will use this trip as an opportunity to practice good restaurant manners and patience while waiting for our food and for others to finish.

Specific Items to Note: Students may pick from pre-selected items on the children's menu. They will have the option to drink Sprite, Root Beer, Orange Soda, or water; they will be allowed one refill. Staff will sit dispersed amongst the students to supervise the students and escort them to the restroom as needed. The children are escorted to and from the restroom by a staff.

What if my child doesn't like Hickory Park? Students are welcome to bring a sack lunch on the fieldtrip if they would prefer not to eat at the restaurant. Please give the lunch to the greeter upon your arrival to KTC so we can make sure to bring the lunch with us on our trip.
