

Fieldtrip Name: Reiman Gardens

Fieldtrip Address: Iowa State University,
1407 S University Blvd, Ames, IA 50011

Fieldtrip Phone Number: (515) 294-2710

Website of fieldtrip location: www.reimangardens.com

Information about location: Reiman Gardens is a living garden. Explore a large variety of plants, 800 butterflies enchant visitors to its tropical sanctuary, and a natural canvas that landscape and horticultural artists create. We will learn about plants and insects life cycles.

What do KTC participants do at this location? Reiman Gardens for a unique learning experience. Follow trained guides as they show you hundreds of native and tropical butterflies. Maybe you'll see butterflies emerge from their chrysalides in the emergence cases while you also enjoy the plants in the beautiful, tropical Conservator. Students will learn about hundreds of native tropical butterflies from birth to adulthood.

Specific Items to Notes: we will be doing our own self-guided tour of Reiman Gardens.

What if my child doesn't like Reiman Gardens? Students that don't want to tour can watch others or play card games that we will bring from site while sitting at the available tables and chairs.

You are welcome to bring some games to sit while the other

Suggested Grades: K-5
