Information about Location: Emerge Academy programs are designed by gymnastics and ninja obstacle professionals for children and adults.

What do KTC participants do at this location? The children will be split into groups upon arrival to the gym. There will be several rotations they will all go to including: foam pit, balance beams, and ninja style obstacles, etc. Emerge Academy and KTC staff will be split up amongst the groups at the gym making sure there is a staff with or near each group.

Specific Items to Note: Remember to have your child(ren) wear socks and tennis shoes or bring them to the fieldtrip. Students will have water fountains available.

What if my child doesn't want to play? Students that don't want to play can watch others or play card games that we will bring from site while sitting at the available chairs and benches. The fun music and atmosphere will also provide entertainment.

Suggested Grades: K-5
