Q: What are the Danger Zones?

A: The areas around a school bus where passengers have the greatest risk of getting hurt or killed.

In this video, we discuss how to prevent danger zone accidents with topics including instructions to students, safe pick-up and drop-off procedures, crossing the street, and why children enter danger zones.

Student Transportation of America has partnered with **School Bus Safety Company (SBSC)** to bring greater attention to safety on and around the school bus through a series of student safety videos.

We encourage you to share this safety information with your **passengers**, their **parents**, and throughout your local **community**.
