**West Side
Door Entrance #9**

We are excited to welcome you to Johnston Early Learning Academy!!!

Our first priority is to create a safe and purposeful learning environment. We ensure this by establishing positive routines for students at drop off and pick up. Below are the procedures we have in place for our students to get safely to school and back home every day.

Each class is assigned a door to enter daily. Each child will be given a colored shape necklace that they will receive at Meet the Teacher to wear for the first week of school (August 30-September 6). We ask that you please have your child wear every day. The shape will have your child's name and classroom studio number. It will help us to ensure they safely get to their room. The teacher's will all be wearing Johnston T-shirts in Purple, Gold or Grey that is listed beside their name below.

Drop off and pick up is a slow process until we get into our routines. **Thank you in advance for your patience!**

If your child enters through the West Side Door, you will come off of 62nd Avenue at the intersection between the middle school and Wallace. You will come in and go around to drop off as a one way where your child will exit out of your left-hand doors of your vehicle. It is important that you please get out of your car and open your child's door quickly. A teacher will greet you at this time and help your child walk to the entrance. If you choose to walk your child to the parent corral, you need to park your car in the west lot instead of dropping off. We cannot have any parents leaving their car in the parent pick up lane to walk up to the door. If you are waiting for the doors to open, please wait in your car in the pick-up lane or you may choose to park and wait in the parent corral that is specifically marked for drop off and pick up in painting until the teachers greet the students. This limits congestion and ensures the safety of the students.

If your child enters through the South Main Door, you will come off of 62nd Avenue at the main Wallace entrance. You will come in and go around to drop off as a one way where your child will exit out of your right-hand door of your vehicle. It is important that you please get out of your car and open your child's door quickly. A teacher will greet you at this time and help your child walk to the entrance. If you choose to walk your child to the parent corral, you need to park your car in the south lot instead of dropping off. We cannot have any parents leaving their car in the parent pick up lane to walk up to the door. If you are waiting for the doors to open, please wait in your car in the pick-up lane or you may choose to park and wait in the parent corral that is specifically marked in painting for drop off and pick up until the teachers greet the students. This limits congestion and ensures the safety of the students.

Find your child's teacher below and you will know where to drop off and pick up!
