POLICY TITLE USE OF SCHOOL PROPERTY AND EQUIPMENT FOR STUDENT ACTIVITIES  
No. 508.6

The School District will permit school property and equipment to be loaned to student activity groups when the equipment is to be used in connection with their studies or extra-curricular activities. This use will follow the same guidelines as established in Policy 905.1 Community Use of School Facilities and Equipment. The administrator and/or supervisor will establish and follow proper controls to ensure the borrower's responsibility for, and return of, all such equipment.
