POLICY TITLE COMMUNITY RESOURCE PERSONS AND VOLUNTEERS No. 903.2

The board recognizes the valuable resource it has in the members of the school district community. When possible and in concert with the education program, members of the school district community may be asked to make presentations to the students or to assist employees in duties other than teaching. Criminal history background and/or public sex offender database (i.e. Raptor) checks may be required on volunteers. The school district may officially recognize the contributions made by volunteers.

It is the responsibility of the Director of Human Resources in conjunction with the building principals to develop administrative guidelines and assure this policy is enforced.
