ADMINISTRATIVE REGULATION ANTI-BULLYING/ANTI-HARASSMENT INVESTIGATION PROCEDURES No. 104.R1

The Johnston Community School District is committed to providing all students employees and volunteers with a safe and civil school environment in which all members of the school community are treated with dignity and respect. Bullying and/or harassment of or by students, staff, and volunteers is against federal, state, and local policy and is not tolerated by the board. Bullying and/or harassing behavior can seriously disrupt the ability of school employees to maintain a safe and civil environment, and the ability of students to learn and succeed. Therefore, it is the policy of the state and the school district that school employees, volunteers, and students shall not engage in bullying or harassing behavior while on school property, while on school-owned or school-operated vehicles, while attending or participating in school-sponsored or sanctioned activities, and while away from school grounds if the conduct materially interferes with the orderly operation of the educational environment or is likely to do so.

Filing a Complaint

A Complainant who wishes to avail himself/herself of this procedure may do so by filing a complaint with the associate superintendent or associate superintendent's designee. An alternate will be designated in the event it is claimed that the associate superintendent or associate superintendent's designee committed the alleged discrimination or some other conflict of interest exists. If the Complainant is a school employee, after filing the complaint with the superintendent or superintendent's designee, the employee may separately notify the parent or guardian of the student alleged to have been harassed or bullied. Complaints shall be filed within 180 calendar days of the event giving rise to the complaint or from the date the Complainant could reasonably become aware of such occurrence. The Complainant will state the nature of the complaint and the remedy requested. The Complainant shall receive assistance as needed.

School employees, volunteers, and students shall not engage in reprisal, retaliation, or false accusation against a victim, witness, or an individual who has reliable information about an act of bullying or harassment.

Investigation

The school district will promptly and reasonably investigate allegations of bullying or harassment. The principal of the building or designee (hereinafter "Investigator") will be responsible for handling all complaints alleging bullying or harassment.

If the Complainant is under 18 years of age, the Investigator shall notify his or her parent(s)/guardian(s) that they may attend investigatory meetings in which the Complainant is involved. The complaint and identity of the Complainant, Respondent, or witnesses will only

be disclosed as reasonably necessary in connection with the investigation or as required by law or policy. The investigation may include, but is not limited to the following:

- A request for the Complainant to provide a written statement regarding the nature of the complaint;
- A request for the individual named in the complaint (hereinafter “Respondent”) to provide a written statement;
- A request for witnesses identified during the course of the investigation to provide a written statement; and
- Review and collection of documentation or information deemed relevant to the investigation.

The Investigator shall consider the totality of circumstances presented in determining whether conduct objectively constitutes bullying or harassment. Upon completion of the investigation, the Investigator shall issue a report with respect to the findings.

Decision

If, after an investigation, a student is found to be in violation of the policy, the student shall be disciplined by appropriate measures, which may include suspension and expulsion. If after an investigation a school employee is found to be in violation of this policy, the employee shall be disciplined by appropriate measures, which may include termination. If after an investigation a school volunteer is found to be in violation of this policy, the volunteer shall be subject to appropriate measures, which may include exclusion from school grounds.

A school employee, volunteer, or student, or a student’s parent or guardian who promptly, reasonably, and in good faith reports an incident of bullying or harassment, in compliance with the procedures in the policy adopted pursuant to this section, to the appropriate school official designated by the school district, shall be immune from civil or criminal liability relating to such report and to participation in any administrative or judicial proceeding resulting from or relating to the report.

Individuals who knowingly file false bullying and/or harassment complaints and any person who gives false statements in an investigation may be subject to discipline by appropriate measures, as shall any person who is found to have retaliated against another in violation of this policy. Any student found to have retaliated in violation of this policy shall be subject to measures up to, and including, suspension and expulsion. Any school employee found to have retaliated in violation of this policy shall be subject to measures up to, and including, termination of employment. Any school volunteer found to have retaliated in violation of this policy shall be subject to measures up to, and including, exclusion from school grounds.

Appeal

A student, employee or volunteer who wishes to appeal the finding and/or discipline/consequences imposed as a result of a bullying or harassment investigation shall submit their appeal request, in writing, to the Superintendent within seven (7) calendar days of receipt of the finding and/or discipline/consequence imposed, whichever date is later. An appeal shall be limited to a review by the Superintendent for any procedural violations which materially impacted the investigation or the rights of the parties and an overall evaluation of the reasonableness of the investigation and discipline in light of the facts and circumstances

involved. The Superintendent will not conduct a new or independent investigation. The Superintendent shall issue his/her decision within fourteen (14) calendar days of receipt of the appeal. The Superintendent's decision shall be final and this appeal process shall be the sole basis for appeal of any bullying/harassment investigation.
