Professional Ethics

If, in your role as a substitute, you need access to student records, please contact the administrator. These records, which are maintained to provide the professional staff with necessary information concerning each student, must be handled with extreme care. **Information concerning students is of a confidential nature and must be kept confidential by the substitute. Any information you discover working with students or staff falls under these confidential guidelines. Johnston Schools expect our substitutes to honor the most professional ethics.**

As a substitute traveling from school to school within the District, you will observe many classroom formats. You are expected to make every effort to carry on the program of the regular staff member.

Substitute Assignment Procedures (*Absence Management*)

After you have provided the District Human Resource Office with the necessary documentation, you will be activated in *Absence Management*, the substitute system in place at Johnston Schools.

This service, called *Absence Management* can be accessed through the mobile app, telephone and the internet to assist you in locating jobs in the school district. The *Absence Management* system is available 24 hours a day, 7 days a week. *Absence Management* uses four methods to make jobs available to substitutes:

1. In *Absence Management* you can search for and accept available jobs, change personal settings, update your calendar, and personalize your available call times.
2. You may interact with the *Absence Management* system by way of a toll-free, automated voice instruction menu. Here, you can proactively search for jobs and manage existing jobs.
3. *Absence Management* will also make phone calls to substitutes to offer jobs. Johnston schools selected standard call times when *Absence Management* service may call for substitutes: 5:00 AM-11:59 AM and 4:15 PM–10:00 PM.
4. You may access the mobile app by entering “Frontline Education” in the search bar once in the app store on your mobile device. Press the Get or Install button to install the app on your device. Once the download is complete, a welcome page will display. Press GET STARTED to proceed. The Sign In page appears. Enter your Frontline ID account or use SSO to sign in.

Once you have been activated as a substitute you will receive an email with an invitation to set up your Frontline *Absence Management* account.

Emergency or Weather-Related School Cancellations

The District does not pay for scheduled substitute jobs that have been cancelled or modified due to emergency school cancellations. It is your responsibility to refer to the local television and radio stations

immediately prior to your scheduled assignment. **Absence Management** will **not** call you to notify you if school has been cancelled or delayed.

Substitute Assignments

Substitutes are expected to arrive at the assigned start time and remain at the building until the assigned end time. If you are called late for an assignment, you are asked to arrive as soon as possible after accepting the assignment. **Substitutes must check in and out with the building secretary.** If you should become ill or an emergency arises during the day while substituting, always contact the building secretary before leaving the building. **If an emergency occurs the day of your assignment and you are unable to report at the assigned time, please call the building secretary directly.** The telephone numbers are listed on page 5 of this handbook.

The District has the right to move or reassign a substitute based on district need.

Staff & In-Service Meetings

Long-term substitutes should consult with the building administrator concerning attendance at staff meetings or in-service meetings and other pertinent information, (i.e. start date, end date, etc.).

Arrival Procedures

Report to the school office to confirm your assignment for the day, obtain a substitute ID badge, and any other necessary information. If you would like to purchase a school lunch, please notify the building secretary.

Certified Staff:

- When you arrive at the classroom, locate the lesson plans, substitute teacher's folder, the daily schedule, attendance slips, manuals, and other pertinent information on or in the teacher's desk. Please feel free to ask any staff member for assistance if you are unclear on anything.
- The substitute teacher folder will contain useful information and materials for your day.
- Carefully review the teacher's lesson plans and check the classroom teacher's schedule for any special duties that you may be expected to perform such as recess, lunchroom, bus duty, etc.
- Emergency Expectations charts are posted in each classroom. Familiarize yourself with emergency procedures. Fire drill and tornado drill instructions are posted as well in each classroom.

Classroom Responsibilities

Reporting Absences

Student attendance will be taken at the beginning of each day or class period. The procedure followed in the individual school will be explained in the substitute folder. No student should be excused from class or school without a pass securing the permission of the administrator or the secretary.

Classroom Management

Creating favorable rapport is an important aspect of successful substitute teaching. A few suggestions may help you establish good classroom routines.

- Provide for efficient learning situations and develop an atmosphere of mutual respect between teacher and students.
- Expect good behavior. Students tend to respond to what is expected of them. A positive approach is worth more than many negative rules. Avoid making threats that cannot be carried out.
- Have materials ready. Be organized at the beginning of class.
- Be aware of the attention span of the students. Know when to change activities.
- Except for an actual emergency, never leave the class unattended.
- Some buildings have established special approaches to discipline at certain grade levels or school wide. Check the substitute's folder for specific instructions and feel free to contact a neighboring teacher if additional information is needed.
- Corporal punishment, mechanical restraint and prone restraint are strictly prohibited as per Board Policy 503.5. At all times work to maintain the dignity of the student(s) in all learning and/or discipline situations.
- If you have questions concerning discipline, contact the administrator or as directed in substitute folder.
- Substitutes are to contact parents only under advisement of the administrator.
- Common sense should prevail when administering all rules and guidelines.
- Special care and attention should be given so all answer keys and tests are secure.

Classroom Routine

- Follow the regular classroom teacher's plans and programs as closely as possible. The teacher's lesson plans, along with other information about rooms, seating, and assigned duties will be available.
- Report any unusual or exceptional classroom situation to appropriate personnel.

- If audio-visual equipment is required, check the needed equipment out from the library media center (LMC). Request any specific operational instructions from the media specialist.
- If there is time within a daily schedule when a substitute is not supervising students, the substitute should check with the building secretary or administrator for additional assignments.

Conduct and Appearance

Substitutes are role models for the students who come in contact with them during and after school hours. The Board recognizes the positive effect substitutes can have on students in this capacity. To this end, the Board strongly suggests and encourages substitutes to dress, groom and conduct themselves in a manner appropriate to the educational environment.

Substitutes will dress in attire appropriate for their position and aligned with the day's schedule. Clothing should be neat, clean and in good taste. Discretion and common sense call for an avoidance of extremes which would interfere with or have an effect on the educational process.

Our school community values a comfortable and collaborative work environment. In day-to-day operations, the Board encourages casual dress to promote an atmosphere conducive to productivity and learning. Substitutes required to wear a uniform, personal protective equipment, or other job-specific clothing and/or gear must do so during working hours while on duty.

Emergency Procedures

Become acquainted with the Emergency Expectations Chart located in each room. This guide will reference fire and tornado drills and other emergency procedures. They are posted in each classroom. The secretary in each building will assist you, if necessary.

Accidents or illnesses involving students should be reported to the office immediately. An accident form must be completed as soon as possible in case of any personal injury. Ask for assistance if necessary.

Mandatory Training

All substitutes are required to complete all assigned training in the Vector Solutions online training platform prior to their first substitute assignment of the school year.

All substitutes are also required to complete approved mandatory reporter training for child abuse and dependent adult abuse through an Iowa Area Education Agency (AEA) or the Department of Health and Human Services (DHHS).

Medication in School

No school employee shall prescribe medicine for a student or for another employee.

1. Medication may only be administered by the school nurse.
 - a) In case of some illnesses, it may be necessary for a child to take medicine at school. In such case, a permission note signed by the parent must accompany the medication or the parent should sign a consent form.
2. The designee who has been trained under the State Department of Public Health guidelines is entrusted to give medication in the absence of the school nurse.
3. Medication must be brought in the prescription container or the container in which it was purchased with the following information:
 - a) Child's name
 - b) Name of medication
 - c) Dosage
 - d) Time to be administered

End of the Work Day

At the end of the substitute assignment, leave a summary of the work accomplished and provide feedback to the teacher regarding the day's activities (student behavior -positive and negative, and any unusual occurrences). Correct assignments or tests unless otherwise noted. Staff will also appreciate a note highlighting a successful experience with the class or an individual student.

- Make sure all materials are stored properly and the room is empty of students before leaving.
- Turn off all lights and close the door.
- Check in the office to see if you will be needed another day. Return the completed substitute's form and substitute ID badge to the building secretary. We are interested in your feedback. Please feel free to discuss any suggestions or concerns with the building administrator.

Compensation

Substitutes are paid on the last day of the month, or the last Friday if the last day falls on a weekend. Any time worked prior to and through the 15th of the month will be deposited in your designated account on the last day of the month. Direct Deposit is required for all substitutes. Time clocks are used to track hours worked. Instructions are emailed to new substitutes before they sub for the first time. Instructions are posted by each building time clock to assist you. Time clocks are located in the hallway by the main entrance except for Lawson and Timber Ridge where they are located in the mail room in the office.

Time for substitute teachers, counselors, building nurses and administrators will be in quarter-day increments. Time for substitute transportation nurses will be in half-day increments. Time for substitute associates will be in hours and minutes (minutes are rounded to the quarter of the hour). Substitute Associates are required to clock out for their lunch break. Click on Employee Online; USER is your employee ID number (the letter E followed by six digits unique to you Exxxxxx); PASSWORD is the last 4 digits of your social security number (xxxx). Once logged in, you may select options on the left side of the screen. Since EO is used by all JCSD staff, some of the information will not pertain to substitutes (e.g. leave tracking, benefits, etc.)

Employee Online Features:

- Payroll information including pay stubs (view one day prior to payday, and ability to print), pay periods, tax withholdings (ability to update Federal and State W-4 forms), tax forms (1095-C and W-2 with ability to print), direct deposit information and form.
- Personal information including address, email, phone number(s), and emergency contacts (ability to update this information).

Withholding from Pay

Federal and state taxes and the employee's social security payments are withheld from each paycheck as required by law. IPERS (Iowa Public Employees' Retirement System) will also be deducted after earning \$1,000.00 in two consecutive quarters.

Benefits

Workers' Compensation

Substitutes are covered by workers' compensation. If a work-related injury or illness is sustained, it must be reported immediately to the building nurse for assessment and/or medical attention.

Should additional treatment be necessary, the nurse will arrange care through a UnityPoint Health Occupational Medicine facility and provide the substitute a “First Report of Injury” report packet.

IPERS

The District contributes the employer’s percentage (9.44%) to the Iowa Public Employee Retirement System (IPERS) for each eligible substitute. For additional information regarding IPERS, please visit www.ipers.org.

Employee Assistance Program

The Employee Assistance Program (EAP) is a benefit provided by the Johnston Community School District for all employees and their eligible family members. The EAP provides professional services to assist in addressing life issues that may interfere with an employee’s wellbeing, job performance or health. In addition, the EAP can help employees set and achieve life goals.

EAP professionals help people manage many of life’s challenges, including: family or relationship issues, emotional or mental health, work/life balance, substance abuse, personal growth, financial or legal issues. Eligible family members are those who live in the employee’s home and legal dependents who may live elsewhere.

Employees and their eligible family members can call the EAP directly 24 hours a day, 7 days a week at 800-327-4692. Website: www.efr.org/eap. Visit www.efr.org/chat to chat Monday-Friday 8am-5pm.
