POLICY TITLE EMERGENCY REPAIRS

No. 802.3

When repairs to a school district exceed the state limit and are necessary to correct or control the situation and to prevent the closing of school, provisions relating to bidding will not apply.

It is the responsibility of the superintendent/designee to obtain certification from the area education agency administrator stating such repairs in excess of the state limit were necessary to prevent the closing of school.

It is the responsibility of the superintendent/designee to notify the board as soon as possible considering the circumstances of the emergency.
